- **Most Subterranean Facility** — Stamp Fulfillment Services, located in Kansas City, MO, is located in a limestone cave 150 feet under-ground. It is the Postal Service's only facility located in such an under-ground environment. The consistent, year-round temperatures and humidity levels in the caves allow the stamps to be maintained in mint-quality condition. The underground facility also keeps the inventory and employees safe from snow, flooding, winds and tornadic activity common in the Midwest.
