

# HyPER/Sort March 2026 Update

**New Statement  
of Estimated Postage  
report Included!**

Dear Valued Client,

Enclosed you will find the March 2026 HyPER/Sort update.

With this month's update we are introducing the new *Statement of Estimated Postage* report for First Class and Marketing mail. The *Statement of Estimated Postage* report for Periodicals will be introduced at a later date. The Statement of Estimated Postage report is much more concise than the old pre-printed Postage Statements and closely resembles the Postage Statements generated by PostalOne.

The new *Statement of Estimated Postage* report produced by HyPER/Sort will replace the old pre-printed Postage Statements for all classes of mail. A sample *Statement of Estimated Postage* report and its equivalent old pre-printed Postage Statement are provided on the following pages for your review.

The March and April 2026 HyPER/Sort updates will produce both the old pre-printed Postage Statements and the new *Statement of Estimated Postage* report for First Class and Marketing mail.

Beginning with the May 2026 HyPER/Sort update, HyPER/Sort will no longer produce the old pre-printed Postage Statements for First Class and Marketing mail.

**If you have any questions regarding HyPER/Sort or the new *Statement of Estimated Postage* report, contact us and we will be happy to assist you.**
